

Referral Bonus Program

At South Shore Staffing, we believe in the notion that “good people know good people” and we want to reward anyone who sends people our way! Here’s how:

1. **Direct Hire Placements** – Refer a friend who is placed directly into a client of South Shore Staffing and who stays in the job beyond 90 days and receive:

1st Referral – \$500.00*

2nd Referral – \$750.00*

3rd Referral – \$1,000.00*

2. **Temporary Placements** – Refer a friend who works through South Shore Staffing as a temporary employee for 200+ hours and receive:

1st Referral – \$250.00*

2nd Referral – \$300.00*

3rd Referral – \$400.00*

Over the years we have paid numerous referral bonus fees and would love to continue the tradition. If you know anyone looking for work in administrative, accounting, or engineering, send them our way and you could make money!

*Please note: Incremental pay-outs are for a 12-month period only.

*Applicants must provide the name of the referring person during their initial interview process with us.
